This digital proof / digital artwork / digital prepress file should be used for exact color matching and color separations.
All details like colors, die-cut, text, layout, codes and composition must be checked thoroughly, also if only small changes have been requested. The Ideal CIE Lab values of the printing colors are specified. Artwork has bleed and prepress/origination has been applied. Please note that this die-cut/cutter-guide has been constructed from dimensions received by e-mail, PDF or other digital material and must be checked again with the original printer/production die-cut/cutter-guide before final production. ZDSGN BV. will not accept any responsibility for changes made to this digital file, or the images contained within it.

PLEASE NOTE! This PDF file is **LOW resolution** and for viewing only.
Please make sure you download the HIGH resolution files from our FTP server.
