Artline® SECUREMARKER

2.0-4.0mm

PRODUCT CODE	Secure Marker (EKSC-4)
CATEGORY	instant drying permanent marker
USAGE	Obscure private information 
REFILABILITY	Non-refillable
FEATURES	Conceal sensitive information and leave needed data readable Obscure private information permanently Super black ink With ordinary marker ink, carbon often floats to the top after the ink dries, which makes original text readable again because of light reflection. However Secure marker ink formula minimizes this phenomenon to obscure information.
