

# 3M Scotch-Brite™

## Red Floor Pad

For daily cleaning and spray cleaning operations

Technical data sheet

TD102

Date: August 2011  
Supersedes: May 2011  
Author : FG

### Description:

The 3M Scotch-Brite™ Red Floor Pad is a premium quality floor maintenance pad. It's made of high quality synthetic fibre, in an open textured non-woven construction. Polishing particles are dispersed throughout the thickness and bonded with a durable adhesive. Each floor pad has a pre-cut centre hole.

### Special Features:

- Designed for cleaning and spray cleaning operations.
- Open web construction to collect soil from floors
- Fine fibre mix for effective removal of marks and fast polishing action on floors
- Flexible pad for easier washing after use
- Consistent performance
- Durable pad at work.
- Limited removal of floor finish

### Where and When to Use:

RPM	150-400	>400
Strip		
Scrub		
Spray	XX	X
Scrubber dryer	XX	
Buff	X	X

XX Designed for X suitable

Use the 3M Scotch-Brite™ Red floor pad for routine spray cleaning with standard or high speed floor machines (150 - 400 RPM). It will clean and increase shine on most surfaces.

Use the 3M Scotch-Brite™ Red floor pad for routine cleaning under scrubber dryer.

### Directions for Use: Spray Cleaning

1. Install a clean floor pad under the machine pad holder.
2. Dust mop entire floor area if necessary.
3. Spray cleaning chemical moderately on a section of floor.
4. Clean and buff the floor with 4 to 6 passes.
5. Proceed to next section of floor
6. Dust mop entire floor area if necessary.

Remove and wash after use.

### Directions for Use: Cleaning under scrubber-dryer

1. Install a clean floor pad under the machine pad holder.
2. Clean the floor on a regular basis with 1 or 2 passes.

Remove and wash after use.

### Maintenance of pad:

1. Remove pad from machine after each use
2. Fold and scrub with a nylon brush under tap water, or spray hose both sides, or machine wash.
3. Hang up for drying.

Note: Recommended washing-machine temperature is 40°C.

### Performance Advantages:

Produces up to 30% more shine on protected floors. Removes more black marks. Lasts up to 2 times longer. (3M lab tests).

Durability: 15 000 sqm at 150 rpm.

### Product Specifications:

3M Scotch-Brite™ Red Floor Pads consist of polyester fibres and synthetic adhesives. They are not significantly affected by water and common detergents.

### Product Characteristics:

Colour: Red  
Marking: Black 3M Scotch-Brite™ logo.  
Thickness: 28 mm  
Centre hole: Pre-cut at 85 mm  
Weight: 1420 g/m<sup>2</sup>  
Fibre type: Polyester, mixture of sizes.

### Aggressiveness (Schiefer Value):

Expected value for spray cleaning operation: 0 to 0.17 g.

3M value: 0,1 gram

0	0,5	1	1,5	2	2,5
---	-----	---	-----	---	-----

### Sizes:

Standard and non-standard sizes available on demand.

### Packaging and labelling:

Packaging material made of 100% recycled material.

### Disposal Informations:

Discard into appropriate container, for incineration, if available.

Packaging material: recyclable

### Origin:

Made in France, in an ISO 9001:2008 and ISO 14001:2004 certified plant.
